

Appendix A

Qualifications of Investigators

Qualifications of Investigators

Robert H. Eiswert, Archaeologist, Principal Investigator

M.A., American Studies, Pennsylvania State University, 2005

B.A., History and Anthropology, Bloomsburg University, Pennsylvania, 1995

Meets the Secretary of the Interior's Professional Qualifications Standards for Archaeology.

Occupational Safety and Health Administration Hazardous Waste Operations and Emergency Response Worker Training Certification (29CFR§1910.120)

Mr. Eiswert has over nine years of professional experience in archaeological research in the Middle Atlantic region. For the last two years he has served as Principal Investigator on numerous projects ranging from large scale Phase I surveys to Phase III data recovery excavations. Mr. Eiswert has supervised excavations on a variety of sites in Pennsylvania and Delaware including stratified pre-contact sites, historic farmsteads, and industrial sites.

Frank J. Vento, Ph.D., Geomorphologist

Ph.D., Geology, University of Pittsburgh, 1985

Dr. Vento has over twenty years of professional experience interpreting soil depositional and weathering sequences on archaeological and historic sites.

W. Andrew Wyatt, Archaeologist

M.A., Anthropology, Temple University, Pennsylvania, 2007

B.A., Anthropology and Mediterranean Archaeology, State University of New York at Albany, 1988

Mr. Wyatt has over sixteen years of professional experience in archaeological research in the Middle Atlantic region. He worked for seven years as a Historic Preservation Specialist/Review Archaeologist at the Pennsylvania SHPO. He has expertise in lithic and prehistoric ceramic analysis and completing all aspects of archaeological research and fieldwork.
